CAREER OBJECTIVE

To enhance my professional skills, expand my capabilities, and deepen my knowledge within an organization and entrusts me with meaningful responsibilities and challenges.

PROJECTS

GeoSphere

Developed a MERN-based e-commerce platform for real-time delivery tracking and seamless communication between users, delivery personnel, and admins via a chat system.

SkillWave

Build a responsive MERN-based eLearning platform with secure role-based access. Created separate dashboards for administrators and students to manage courses efficiently and enabled seamless and secure online payments.

Portfolio

A fully responsive and interactive portfolio website showcasing my projects, skills, and journey. Built with smooth animations and a modern UI for a polished user experience.

INTERNSHIPS

- Mistral Solutions Pvt Ltd Mar 2025 - Present
- MERN Stack Development - WebStack Academy (2-months)

CERTIFICATIONS

- DBMS/CSS on Infosys Springboard
